

# GABRIEL RAMOS

Mobile App Developer

## 👤 Profile

Passionate web/mobile developer with good experience for junior position. I am familiarized with many technologies, like React, React Native, Javascript, NodeJS, Redux, PHP, HTML and CSS. In search of more experience and evolution, to improve technological projects.

I am moving to London in September of 2021 with my wife, and I need a certificate of sponsorship through a job offer.
